About Us

Platinum Cup, the owner of the “ProPack” brand, is a specialized company in the production of high-quality paper cups and bowls. The company was founded in 2019 with support from the Jordanian government's “ ضهنا ” program. The factory was inaugurated in the Ma'an Development Area under the patronage of His Majesty King Abdullah II, who emphasized the importance of supporting sustainable local industries and their role in environmental protection. The project was selected as one of the leading initiatives in the National Employment Program.

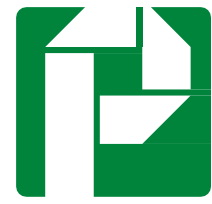

We believe in the importance of using biodegradable materials and providing innovative solutions that meet the market's needs while preserving natural resources. Our environmental strategy includes various initiatives such as improving production processes to reduce waste and using renewable resources.

We offer a wide range of products made from Kraft paper and cardboard for various sizes and shapes of cups and plates, ensuring they are safe and hygienic with certification and approval from the Food and Drug Administration.

Our commitment is to deliver high-quality products that meet the expectations and needs of our customers. Our company is equipped with a professional and dedicated team that continuously innovates and develops to offer the latest designs and technologies in the paper packaging industry.

We strive to expand our business and increase our presence in the local and global markets. Currently, we hold a market share of 40% in the local market, which reflects the trust our customers have in our products and their quality. We are dedicated to achieving excellence and providing added value to our customers.

The company is a pioneer in sustainable packaging and meets the needs of customers and consumers in various sectors, including food and beverage industries, hospitality, restaurants, and retail stores. We always seek to offer innovative and customized solutions that meet our customers' requirements and help them achieve their goals and business success.

PROPACK
